

A Pattern From
Knit Purl Hunter

Scoreboard 2.0

Materials...

Featured Yarn

HiKoo Simplicity, 55% Merino superwash, 28% acrylic, 17% nylon; 117 yds / 50g; uses two team colors, approx. 3 (6) skeins each.

Optional – one skein of a third color for a visual break between games.

addi Needles

Two 4.5mm (approx. US 7) 16" circular needles

(Second needle is needed to graft stitches using Kitchener Stitch)

Additional Notions

Tapestry needle, stitch marker, approx. 1 yd of waste yarn, Size G crochet hook – for provisional cast on

Gauge...

21 stitches and 27 rounds = 4" in Stockinette Stitch

Size...

Short (Long)

8" wide, approx. 40 (94)" around.

Length around varies with total number of points scored.

Short version shown above right. Long version shown on page 2.

Are you ready for some football knitting?
Capture your favorite team's season with a stunning piece of knitted sports history. Now in a new, shorter version!

Brought to you

by

Long Version

Abbreviations...

- MC** – Main Color. Primary color that represents your favorite team.
CC – Contrasting Color. Secondary color that will always represent the opponent.
CC2 – Contrasting Color 2. Optional third color used to separate games.

Notes

- Cowl is worked in the two colors of your favorite team.
- Primary color represents your team (MC).
- Secondary color will always represent the opponent (CC).
- All stitches are worked in knit.
- When changing colors, work the Jogless Stripe technique for smooth color transitions.
See *Jogless Stripe* video
- When working stripes that are 4 or more rounds high, carry the unused yarn with the working yarn by twisting the yarns together on the wrong side at the beginning of every 4th round as in photo below.
See *Carrying Yarns in Circular Knitting* video

Instructions...

All Sizes

With waste yarn, cast on 80 stitches using a Provisional Cast On.

See *Provisional Cast On* video

Place marker and join in the round, taking care not to twist the stitches.

Upon completion of first round (as described below), place a Lifeline through the stitches to aid in removal of provisional cast on at end of project. **See *Lifeline* video**

Short Version (shown on page 1)

The striping sequence is determined by the order of the **scores** in each game. Knit two rounds in designated color each time a team scores. A score can be a field goal, touchdown (includes extra point), or safety.

Example game summary:

Favorite team scores a touchdown – knit 2 rounds MC

Favorite team scores a field goal – knit 2 rounds MC

Opponent scores a touchdown – knit 2 rounds CC

Favorite team scores a touchdown – knit 2 rounds MC

Opponent scores a field goal – knit 2 rounds CC

Total = 10 rounds knit for game.

Work as above for each game of the season.

Long Version (shown on page 2)

The striping sequence is determined by the order and amount of the points scored in each game. Knit one round in designated color every time a team scores a point.

Example game summary:

Favorite team scores a touchdown – knit 6 rounds MC

Favorite team's extra point is good – knit 1 round MC

Opponent scores a field goal – knit 3 rounds CC

Favorite team scores a touch down – knit 6 rounds MC

Favorite scores a 2-point conversion – knit 2 rounds MC

Opponent scores a touchdown and extra point – knit 7 rounds CC

Favorite team scores a field goal – knit 3 rounds MC

Total = 28 rounds knit for game.

Work rounds based on the points for each game of the season.

Both Sizes

If desired, a visual separation between the games of the season can be worked using the optional third color:

- **Option 1 Game Separation:** At conclusion of game, and using CC2, knit one round, purl one round, knit one round to denote end of game with a textured break.
- **Option 2 Game Separation:** At conclusion of game, and using CC2, knit one round to denote end of game with a small stripe of color 3.

Finishing

Weave in all ends prior to closing tube.

Break yarn leaving 60" tail.

Using the Lifeline as a guide, thread the second circular needle through Round 1 and remove the waste yarn used for the provisional cast on.

Thread tail onto tapestry needle and close tube by grafting stitches with Kitchener Stitch.

See *Kitchener Stitch in the Round* video

If desired, weave in the tail onto the Right Side using Duplicate Stitch.

See *Duplicate Stitch* video
