#### Set Up

**See Colormatic – Part 1 Video**

With crochet hook and waste yarn, cast on 84 stitches onto **smaller** needle using Provisional Cast On method. **See Provisional Cast On Video**

Taking care not to twist, place a marker and join stitches as if knitting in the round.

With **Color B** and leaving an **80” tail** (VERY important!) for finishing, knit one round.

I recommend placing a lifeline through this round to aid in the provisional cast on removal at the end of the project. **See Lifelines Video**
